# Hampton-Brown: High Point

Advanced Instructional Materials  
Professional Development for Teachers

Action Learning Systems is a leader in providing quality training for instructional materials.

This three-day (18 hour) institute provides advanced training for elementary, middle, and high school teachers to implement Hampton-Brown: High Point. High Point is an intensive intervention R/LA program for struggling readers, English learners, and special education students. This exciting training is designed to support fidelity of implementation and ensure student mastery of grades 1–6 ELA content standards.
